Cars Derailed Near Chicago

CHICAGO (UPI)—A suburban train with 86 persons aboard swept off its tracks on Chicago's outskirts Friday and one car smashed sideways to the ground. At least 21 persons were injured, one seriously.

The two-car Chicago, South Shore and South Bend train jumped its tracks as it sped along a straight course at about 60 miles per hour through rough, desolate country two miles from the Indiana border.

The first car skidded 300 feet to a stop atop a 20-foot earthen embankment and tilted at a 45-degree angle. The second car went completely off its wheels and ended up on its side.

Crawl From Cars

The injured, some weeping, crawled from doors and windows and waited atop the embankment for rescue crews. Some of the seats and woodwork inside the orange colored cars were blood-spattered.

One hospitalized woman said she was knocked unconscious, awoke to find her 9-year-old son lying on top of her, and blacked out again. Another was knocked out by the crash and "the next thing I knew they were helping me down the steps and I heard screaming about me."

The careening train had gouged a trench 10 feet deep and 15 feet wide along the roadbed. The ground was littered with torn power lines, metal and broken glass.

Two of the victims had to be carried by stretcher 500 feet through high weeds and swampy ground to the waiting ambulances. The rest made it on foot.

One Person Serious

Twelve persons were treated at Roseland Community Hospital, where one serious case was reported. Nine more persons required treatment at South Chicago Hospital. Most of the injured had cuts and abrasions, but others were X-rayed to determine whether they had suffered fractures.

Early police reports said an estimated 25 more persons were "shaken up" by the wreck.

All passengers were declared accounted for after workmen cut their way into a smokers' compartment which had been sealed by the wreckage and found no one inside.

Walter W. Weber, superintendent of transportation for the railroad, said the train probably ran into a defective track or switch. Three hundred feet of track were torn up by the derailment and traffic on the Chicago-to-South Bend, Ind., was restricted to a single line.

Eight Miners
Escape Blast

LOGAN, W. Va. (UPI)—Almost miraculously, eight men escaped serious injury Friday when a mine car loaded with blasting powder exploded in a mine about 20 miles east of here.

Only one of the eight members of a supply crew even required hospital attention. He is Noah Kimball, who was treated for relatively minor burns and bruises. Kimball was able to walk a mile with five other men to a spot two miles from the entrance of the Lundale No. 1 mine of Amherst Coal Co. to catch a man-trip to the surface.

Two men had made their way out of the mine before the others. The other six were unable to determine immediately the effect of the explosion and acted quickly to set up a barricade to protect themselves against the possibility of the blast filling the mine with deadly gases.

The six soon discovered they were in no serious danger and started making their way out of the mine. The cause of the explosion was not immediately determined. The eight-man supply crew was distributing materials in the mine just prior to the start of the day shift. The day shift workers had not entered the mine.

Capsule Pickup
Puts U.S. Ahead
In Space Race

SUNNYVALE, Calif. (AP)—The successful recovery of a Discoverer XIII satellite capsule gave the United States a long day's march on the Soviet Union in the race to put a man in space, a Lockheed official said here Friday.

Lockheed is prime contractor for the Discoverer program which Thursday successfully triggered a 300-pound capsule out of a polar orbit to parachute into a Pacific Ocean recovery area 330 miles northwest of Hawaii.

Herschel Brown, a Lockheed vice president and general manager of the firm's missiles and space division, said the Soviets are known to have failed in their efforts to recover orbiting satellite packages.

Elsewhere, there was speculation the feat may have carried the United States farther than the Soviet Union in their competition for the prestigious fight to get the first man into space and back home safely.

Brown said, "this definitely shows we can get a man into space—and out again, even though there is a long way to go to accomplish that feat."

An elaborate and spectacular attempt to catch the parachuting capsule in the air failed narrowly, but the instrument-jammed package landed in ocean water where it was recovered by a Navy frogman and helicopter.

The frogman, Bosun's Mate J.C. Robert Carroll, 22, of Keen, N.H. dropped 20 feet into the dye marked water, attached a line to the capsule and it was hauled out of the water.

The capsule was flown to Honolulu Friday en route to Lockheed's facilities here for inspection and analysis. From there it will go to Washington.

Information from the successful shot will be fed to Project Mercury, the program to put the first U.S. astronaut into space. Brown indicated there had been intense pressure from Washington to get that final successful return after more than a year of attempts.

Fondness For Bottle
Brings Fair Ban

BERLIN (AP)—Communist officials who are too fond of the bottle must be kept away from foreign traders, the East German Chamber of Commerce has decreed.

Even faithful party members tend to talk too openly about what's going on when they get drunk. That's the reason such tipplers should be barred from the Leipzig Trade Fair this fall, the Chamber of Commerce said, according to a report by the League of Free Jurists, a private Western organization with contacts in East Germany.

Double Dip

CAIRO, Egypt (AP)—Police men who caught a pickpocket in the act on a crowded bus had to file a double charge against him after he tried to pick another pocket en route to jail.

Strike-Stranded Tourists
Aided By British Airlift

LONDON (AP)—An emergency airlift started Friday night to fly home more than 2,000 American tourists stranded by Britain's growing seamen's strike.

Thousands of British and French tourists were in trouble too. The strike spread chaos through more than a score of usually busy ports. The strikers, defying their union leaders, scored two major victories.

First they forced the Cunard Co. to abandon all hope of getting the giant Queen Mary out of Southampton. She carried 1,020 New York-bound passengers and 183 more were waiting to join her in France.

"Sleeping Beauties" Awake

Two little girls whose mysterious ailment won them the sobriquet "Sleeping Beauties," appear alert and happy as they look at a doll held by nurse Sharon Johansen in Mount Siani Hospital, Cleveland, Ohio. Comas the girls suffered, which had puzzled doctors for months, apparently were caused by sleep-inducing drugs, authorities reported yesterday. Police are trying to find out who administered the drugs to the children. They are Venita Fratanonio, 5 (center), and her sister, Bernadette, 3.

Mystery Gas
Fells 40, Many
Families Flee

LA PORTE, Tex. (AP)—This city suffered for 90 terrifying minutes Friday from a mysterious poison gas. Nausea, vomiting and headaches seized more than 40 persons and 500 families fled their homes.

No fatalities occurred but at least seven persons lapsed into unconsciousness.

Authorities appeared to settle on a World War I battle gas—phosgene—as the cause, although this was not immediately established definitely.

Dr. Walter Quebedeaux, Harris County antipollution director, was one of those suspecting phosgene, a colorless product.

Those overcome said they were surrounded by the smell of "rotten potatoes."

Officials of the S&W chemical plant a mile from downtown La Porte, denied their plant was the cause although saying the plant manufactures phosgene.

Nelson E. Lewis, plant manager said the gas did not come from his establishment and the plant is not shut down.

Mrs. Ray Gresham said her children were playing in the front yard when she realized something was wrong.

"They came in coughing and choking," she said. "The next thing I knew, I was deathly sick."

Within minutes the area was one of fright and panic. Other children in other yards and homes were overcome.

Dr. Nelson E. Dunn said he treated at least 30 persons. All suffered nausea, headaches and a "choking feeling."

Police and firemen patrolled the area and warned: "Put a wet towel over your heads. Do the same for your children. Leave the area immediately."

Thus a mass evacuation of an estimated 500 families began.

Officials Expelled

BERN, Switzerland (AP)—The Swiss government announced Friday it has expelled two officials of the French Embassy for spying on the Algerian rebel movement in Switzerland.

Sally Roosevelt
Dies Of Injuries
At Summer Camp

UTICA, N.Y. (AP)—A girl believed to be a daughter of John Roosevelt and a granddaughter of the late President Franklin D. Roosevelt died Friday, apparently of injuries suffered in a fall from a horse.

State Police said Sally Roosevelt, 15, fell while horseback riding Thursday at a summer camp near Old Forge in the Adirondacks.

They said that, while mountain climbing Friday, the girl fainted. She was rushed to St. Lukes Memorial Hospital Center in Utica, where she was dead on arrival.

The girl had been staying at Moss Lake Camp.

Troopers said she did not appear to have suffered any injury in the fall from the horse.

She died of a head injury, police said.

Countess Gets
2-Year Term

NEW YORK (UPI)—A Hungarian countess who maintained a stable of 267 high priced call girls was sentenced to two years in jail Friday despite her attempt to change her guilty plea.

Countess Elizabeth Spedding, 45, who came by her title through her marriage to Count Maresca, a Hungarian nobleman, was sentenced in Federal Court in New York by Judge J. Skelly Wright. He said her attempt to change her plea contained "some elements of a shakedown."

"This woman has been a prostitute and procurer all her life. She knows what this case is all about. She is playing cat and mouse and she will not get away with that," the judge said.

Countess Spedding, who wore a platinum wig, offered to voluntarily deport herself to Canada. Judge Wright, after imposing the jail sentence and a \$5,000 fine, ordered that she leave the country after completion of sentence and never return.

She had pleaded guilty to four counts of a seven count indictment which charged she transported call girls across state lines and out of the country for immoral purposes. The "customers" were alleged to have paid fees ranging from \$50 to \$300.

Mother Of Two
Leaps In River
To Save Boy, 10

TILGHMAN, Md. (AP)—A 34-year-old mother of two leaped into the Choptank River Friday and saved the life of a 10-year-old Negro boy who can't swim.

Mrs. Jene Cummings heard the screams of the youngster, Wilson Pinder Jr., and ran to the scene from her job at the Tilghman Packing Co. The boy had fallen into the river while playing.

She jumped from the commercial fishing dock into the river and kept the boy afloat until David Fluharty, 16, another employee of the seafood plant, dove in and helped bring Pinder from the water.

The boy was unconscious when taken from the water. Sam Burton, another plant employee, administered artificial respiration until the boy revived.

U.N. Task
Force Enters
Katanga Area

ELISABETHVILLE, The Congo (AP)—U. N. Secretary-General Dag Hammarskjöld led a U. N. task force peacefully into secessionist Katanga Province Friday and opened negotiations for full withdrawal of Belgian soldiers.

A hitch in landing operations and minor demonstrations at the airport, including a cry of "Down with the United Nations," spiced his arrival and his blue-helmeted soldiers—220 fellow Swedes.

But there was a warm welcome for Hammarskjöld to this rich territory of copper, cobalt and cattle from Katanga's Premier Moise Tshombe, who only a week ago was threatening war to bar the U. N. soldiers already occupying the rest of the Congo's half-dozen provinces.

Though he had modified his stand in the face of a Security Council mandate for replacement of the Belgian soldiers, Tshombe appeared in high spirits.

There was a warning to Congo Premier Patrice Lumumba, No. 1 political foe of Tshombe, that the U. N. intends to carry out its mission of maintaining order in the Congo despite interference by Lumumba's reactivated Congolese army.

U. N. Undersecretary Ralph J. Bunche delivered the warning personally to Lumumba in Leopoldville, the central government's capital 950 miles northwest of Elisabethville. It came after days of mounting unrest in which Lumumba's uniformed forces have taken an increasing hand in patrol and police work that is supposed to be handled by the U. N. force.

The secretary-general's white twin-engine plane sped in at 1:40 p.m. from Leopoldville. But the landing of his craft, the leader of a five-plane fleet, was delayed by a radioed declaration from the control tower that the soldiers would be refused permission to come in.

A breathless army padres of the Belgian 5th Brigade notified Tshombe the tower's European operator was abiding by last week's order that, under no conditions, should the U. N. force be allowed to land.

British Gals Get
Broadcasters' Aid

LONDON (AP)—The British Broadcasting Corp. has come gallantly to the aid of British girl tourists who have trouble fighting off Latin "wolves" while vacationing in Europe.

BBC announced a new series of broadcasts of "Italian for beginners."

A spokesman announced the significance of it: "Italy is one of the most popular countries with British tourists, few of whom know the language. So we have decided to help all those who go to Italy—especially the English girls who now, by taking this course, will be able to answer the 'wolves' in their own language."

Powers Said
"Pawn" In
World FightU.S. Attorneys
Urge Counsel To
Demand Freedom

NEW YORK (AP)—American attorneys are urging Francis Gary Powers' Soviet defense counsel to demand his freedom on grounds that he is an innocent pawn in a historic world struggle of ideas.

Informed sources, reporting this Friday, said the U2 pilot's Soviet attorney is being urged to argue that Powers in reality was not a spy and never in his own mind considered himself as such.

Powers, this argument goes, was acting under U.S. government orders in line with official U.S. policy and program, and thus blame for the flight of the U2 plane should be fixed upon the U.S. government.

The American lawyers, most of them members of the Virginia Bar Assn., have little hope their views will be presented in a Soviet court.

Two Trials Involved

But apparently they believe two trials are involved: one in the ornate Hall of Columns in Moscow, and one before the court of world opinion. They believe Moscow will show some sensitivity to world opinion.

When Powers' trial opens Wednesday, two Virginia attorneys will be on hand, under auspices of the Virginia Bar Assn. Frank W. Rogers and Alexander W. Parker will be there as personal representatives of Barbara Moore Powers, the pilot's wife. A third Virginia attorney, Carl E. McAfee, will be on hand as personal representative of Oliver W. Powers, the pilot's father.

The American lawyers can only be observers and can have no connection with Powers' defense beyond that. This was the basis upon which visas were granted.

Helped By Experts

Helped by a battery of experts on Soviet affairs, the Virginia Bar Assn. assembled documents which have been forwarded to Mikhail I. Grinev, Moscow lawyer appointed to represent Powers.

The documents include a memorandum outlining points which could be made in Powers' defense, a list of questions the defense counsel might put to Powers, a copy of a letter from an American attorney to Secretary of State Christian A. Herter, expressing the opinion that a Soviet propaganda campaign has convicted Powers in advance of the trial, and a note on a 1940 case in the United States.

The latter case is brought to Soviet attention as having some similarity to the Powers incident. A Soviet citizen named Mikhail Gorin was convicted of collecting material from U. S. naval files. He had every facility for defense, including an appeal to the U. S. Supreme Court. The conviction was upheld, but Gorin was expelled from the United States and sent home.

Drugs Produced Mystery
Comas Of 2 Youngsters

CLEVELAND, Ohio (AP)—The mystery of the two sleeping beauties has been exploded.

Traces of a sleep-inducing drug have been found in blood tests on the two young girls, whose mysterious comas had puzzled doctors for several months, authorities reported Friday.

Police are investigating the question of who gave barbiturates to Bernadette and Venita Fratanonio and why.

Police Inspector Richard R. Wagner assigned a team of detectives, who started by questioning the parents, Mr. and Mrs. Vincent N. Fratanonio.

Coroner Samuel R. Gerber said there was no doubt the barbiturates caused the long slumbers which overtook Bernadette, 3, and Venita, 5, at unexpected periods. The case had puzzled medical men at the Neurological Institute

EXPULSED — James Shultz, 21, senior at Southwestern College, Kansas, was expelled from Moscow by Russian authorities who charged he gave Bibles and clothes to enlist a Ukrainian citizen in anti-Soviet agitation. His father, Rev. Carl Shultz, Otis, Kan., calls it "trumped up charges."

Kansas Tourist
Expelled By
Soviet Union

MOSCOW (AP)—The Soviet Union expelled a Kansas tourist Friday, the third American accused of spying or subversive activities in the week before the espionage trial of U2 pilot Francis Gary Powers.

The Kremlin charged James Shultz, 21, of Otis, Kan., gave American publications, Bibles and clothes to a citizen in the Ukraine to get him to "agitate" against the Soviet Union.

Shultz, who will be a senior this fall at Southwestern College in Winfield, Kan., is the son of a Methodist minister. He is here on a youth tour sponsored by the YMCA and YWCA. The embassy said the 13-member party spent three weeks with a world youth friendship mission near Kiev, the Ukrainian capital. The party is now in Leningrad and Shultz is presumed to have left the country.

The new expulsion appeared to be part of a Soviet campaign—against the U. S. State Department Thursday called "somewhat hysterical"—to arouse world opinion before Powers' trial starts next Wednesday.

The family of the imprisoned pilot—Oliver W. and Ida Powers of Pound, Va.—are en route here with a doctor and a friend to witness next week's trial.

Barbara Moore Powers, the pilot's wife, is due here Saturday afternoon with her mother and two lawyers.

The Soviet youth paper, Komsomolskaya Pravda, said Shultz found in Kiev "a rascal ready to sell his honor for foreign rags"—a reference to the practice of many Russians who beg tourists to sell them their clothing.

In return for the clothing, said the paper, Shultz demanded that the Ukrainian "carry on anti-Soviet agitation." The newspaper said the American "immediately gave prepayment" of three Bibles, a book, a magazine of "provocative material" and the clothes.

This act, Komsomolskaya Pravda went on, "caused indignation among honest people and he—Shultz—is being expelled. He forgot the elementary rules of decency and politeness."

Big Balloon
Orbits: More
Tests SeenIke's Recorded
Voice Bounced Off
Whirling Satellite

WASHINGTON (AP)—The United States, on one of its proudest days in the space age, Friday sent into orbit high above the earth a huge balloon that could lead to new marvels of world communication.

The balloon, tall as a 10-story building but with a skin thinner than the plastic wrapping on a pack of cigarettes, was shot more than 1,000 miles skyward from Cape Canaveral, Fla.

Quickly, a test bounced President Eisenhower's recorded voice by radio beam from California up to the balloon and down to New Jersey. The balloon, dubbed Echo I, served as a sort of backboard, or billiard cushion.

Delighted scientists and military men were encouraged to anticipate the day when messages and pictures of all sorts can be carried unlimited distances clearly and instantly.

Biggest Satellite

The communications satellite, the biggest but not the heaviest of all man-made satellites, zoomed to its success on a day in which the United States laid claim to other fantastic feats in sky and space.

1. An Air Force test pilot, Maj. Robert M. White, hurtled his X15 plane 131,000 feet above the earth—more than 24 miles and the highest point man has ever reached in recorded history.

White radioed back from the edge of space to his comrades at Edwards Air Force Base in California: "This is really fantastic up here."

2. After 12 failures, the Air Force rejoiced over the recovery of a space capsule fired from an orbiting satellite. A Navy frogman, Robert W. Carroll, 22, tied a line from a helicopter to the capsule in the Pacific near Hawaii Thursday and earned a footnote in history for himself.

The recovery of the instrument-packed capsule carried forward—perhaps further than the Soviet Union has gone—the work to send a man on a roundtrip into space, and to create a dependable eye-in-the-sky system for knowing what's going on everywhere.

Ike Is Elated

President Eisenhower was one of the most elated of all over the Echo I achievement. Beaming and smiling, he listened to his own voice as it bounced back from the great balloon.

"Fine—I'm delighted," he told a small group at the White House. The radioed-from-above message called the experiment in communications a significant step in the U.S. space program—a program Eisenhower emphasized was "for peaceful purposes for the benefit of all mankind."

The President's message invited all countries to make similar experiments with the balloon. However, space officials doubted that the Soviet Union could try an experiment with it, since its orbit crosses only the southern tip of that nation.

France and Britain have plans to try to bounce some messages off Echo.

Record Flight
Impresses Pilot

EDWARDS AIR FORCE BASE, Calif. (AP)—An ace test pilot rode the rocket ship X15 to a record height of nearly 25 miles Friday, then radioed back from the fringe of space: "This is really fantastic up here."

Air Force Maj. Bob White, 36, was weightless for nearly a minute as the dark research plane, out of sight from observers at this desert test center, carried man higher than he ever has ventured before.

Back on the ground the handsome veteran of nearly 5,000 hours in the air spoke almost poetically of his experience:

"It was a very deep blue, but not exactly like night. There was distinct contrast. Your view encompasses three distinct bands—the earth, the light blue of the sky and then the very deep blue of extreme altitude. It was very impressive."

White's mark Friday was 131,000 feet. This is almost a mile higher than the old mark of 128,200 set by the late Iven C. Kincheloe on the X2 rocket ship in 1956. The official record is 103,395 set in an F104C jet last Dec. 14 by Air Force Capt. Joe Jordan. The manned, balloon mark is 101,516.

Swiss Stockholders Told To Accept Railway Merger

ZURICH, Switzerland (AP) — Swiss stockholders, whose vote may decide in the proxy fight for control of the Baltimore and Ohio Railroad, have been advised to accept a merger with the Chesapeake and Ohio Railway.

In a confidential memorandum circulated to clients of Switzerland's "big three" banks, the stockholders were told the C&O was more advantageous than the rival offer to the New York Central Railway.

The memorandum described the C&O shares as "good investment quality within the railroad group" and said the Central stock "must be considered as speculative."

C & O has offered one common share for 1 1/2 B&O common

shares, while the Central offered 1 1/2 common shares plus a cash payment of \$9 for each B&O common share.

At least 25 per cent of all B&O shares are believed held by investors on the Swiss stock market, where they have been regularly traded since the beginning of the century.

"A merger between Chesapeake and Baltimore would bring the consolidation of a strong and relatively weaker corporation," the memorandum said. "The financial position of Baltimore would be strengthened. Since Chesapeake would pay \$2.29 per present Baltimore share in dividends, the yield would be improved considerably. If the merger takes place, Chesapeake would apply for listing of its stock in Switzerland. There is also a possibility that the stock might be split."

The memorandum stressed that the NYC's \$9 cash offer would not be payable until the proposed merger has been approved by the Interstate Commerce Commission, and it may require one to two years until the ICC reaches its final decision.

The memorandum was signed by the Swiss Credit Bank, the Swiss Bank Corporation, and the Union Bank of Switzerland, three of the world's largest banking institutions.

Discount Rate Cut Boosts Prices On Stock Market

NEW YORK (UPI) — Wall Street celebrated the Federal Reserve cut in the discount rate by boosting prices higher along a broad front Friday.

However, the enthusiasm with which traders greeted the Fed's latest action, faltered during the third hour and again briefly around the close.

The discount rate was cut to 3 from 3 1/2 per cent and was expected to trigger reductions in the "prime" and other bank lending rates in the days ahead. Brokers feel that the current rally, now in its seventh day, still has some distance to go before any corrective reaction sets in.

Industrial picks up 3.30 points to close at 626.18 in their average and now have recovered a total of 17.49 points since the rally started last Thursday. Blue chip features included General Electric up 2, International Paper up 2 1/4, American Tobacco up 1 1/4, Eastman Kodak up 1 1/4 and Swift up 1 1/4.

Rails met strong buying to finish at 138.35 up 1.99. That gain was the widest since June 8 when the figure was 2.77. Gains here rain to 1 1/2 to Baltimore & Ohio, 2 in Norfolk & Western, 3 in Chesapeake & Ohio, a point in New York Central and 1/2 in Southern Pacific.

The B&O spurred after Alfred E. Perlman, New York Central

president, said he will leave for Switzerland on Monday to talk with Swiss bankers which act as agents for holders of 17 per cent of B&O stock. Perlman's announcement followed the disclosure that three Swiss banks have privately endorsed a rival offer for control by the C&O.

The majority of steel, auto, chemical, tire, vending machine and utility issues showed gains although a handful of recently popular stocks ran into profit-taking and closed lower. Polaroid was a m.o.n.g. these. It dropped 2 points. Lionel fell 1 1/4 despite sharply higher sales and earnings during the first half.

Many issues, however, ignored some personal setbacks to figure in the rise. U. S. Steel, threatened with a rail walkout that could idle up to 19 mills in the Pittsburgh area, jumped 1 1/2. Automobile output was scheduled for a sharp drop this week as the industry quickened the changeover pace to 1961 models, but most autos firmed.

Lionel again led the market in turnover with 54,300 shares. Following were Lockheed, Morasco, Monterey Oil and Universal Match.

Stocks on the American Exchange climbed higher Friday as virtually all sections of the list profited under the obvious stimulus of the announced cut in the Federal Reserve discount rate.

Lois Decker To Become Bride Of James L. Lease

The wedding of Miss Lois Jean Decker, daughter of Mr. and Mrs. Floyd A. Decker, 90 Knobley Street, Ridgeley, to James Lewis Lease, son of Mr. and Mrs. Samuel Lease, Cresaptown, will be solemnized at 11 a.m. today in St. Ambrose Church, Cresaptown, with Rev. Carroll Warner, O.F.M. Cap., officiating at the double ring ceremony.

Mrs. Glenn Elkins will be her sister's matron of honor; Miss JoAnn Decker, Mrs. Eldon Crowe, bridesmaids; and Deborah Elkins, flower girl. Samuel Lease will serve as his brother's best man. John Goldsworthy and John H. Pfeiffer, ushers. Mrs. John T. Lloyd will present a program of wedding music and the traditional wedding marches.

Escorted by her father, the bride will wear a waltz length gown of nylon lace over taffeta and net, fashioned with long sleeves, scalloped neck and hemlines and features an inset of tiny ruffles in the back from waist to hemline. A pearl tiara will hold her fingertip length veil. She will carry a white prayerbook covered with white rosebuds. Small pearl earrings will be her only jewelry.

Mrs. Elkins will wear a pink nylon chiffon gown with lace bodice with matching veiling headpiece, and carry a nosegay of colored carnations. The bridesmaids' gowns are complementary to hers, with Miss Decker in yellow and Mrs. Crowe in mint green. They will have matching carnation nosegays. The flower girl will be in pink and carry a basket of rose petals. Both mothers will be attired in blue gowns and have pink rosebud corsages. The bride is a graduate of

Bi-County Birthday Party Set

The Past Presidents Club of the Allegany-Garrett County Ladies Auxiliary of the Volunteer Firemen will entertain with a birthday dinner at Lark Inn, Paw Paw.

It will be held August 20 at 6:30 p.m., at which time secret pals will be revealed with cards and handkerchiefs. A short business session will be held.

Reservations are to be made by Monday with Mrs. Agnes Marshall, Lonaconing.

Ridgeley High School, class of 1950, and is employed at the G. C. Murphy Company. The bridegroom attended Allegany High School and is employed at Albert's Market.

A reception will be held at 7:30 at the home of the bride, Mrs. John H. Pfeiffer will serve the four tiered wedding cake; Mrs. William Wise, Hampton, Va., will preside at the punch bowl and Mrs. JoAnn Torbet will be in charge of the guest book. The couple will reside in Cresaptown.

Jaynees To Entertain Prospective Members

A get-together party for members and prospective members was planned at the dinner meeting of the Jaynees conducted by Mrs. Laura Murray Wednesday at the Cumberland Country Club. It is to be August 18 at 8 o'clock at the home of Mrs. Murray, Braddock Road.

Members were asked to have all reports in duplicate ready next month. The nominating committee is to meet August 16 at the home of Mrs. William Hill, chairman, 518 Rose Hill Avenue, to prepare the slate. An auditing committee with Mrs. Frances Deremer as chairman is to audit the books sometime during the month.

Dr. Louis Mould spoke on what hypnosis can do. He explained the usefulness of classes during pregnancy and before surgery. He also told of classes being held in Silver Spring for children from 4 to 6 to stop stuttering and bad habits, pointing out that at that age a child is susceptible because it is living in a playland. The speaker warned of the need for years of practice, and for a study of the patient.

Mrs. Harry Murray was a guest. The invocation was given by Mrs. Cas Taylor Jr.

Union Grove Club Plans Workshop

A Christmas decorations workshop was planned by members of the Union Grove Homemakers Club at the meeting Wednesday at the home of Mrs. Albert Windish. It will include making a kissing ring, angels and Santas, and will be conducted by Mrs. Albert Smouse and Mrs. Joseph Franklin, who took the classes at adult camp in Garrett county.

The thought for the month was read by Mrs. Jack Holliday, who presided. The collect was read and flag salute given by the group. Mrs. William Rilling read the history of the hymn, "All Hail the Power of Jesus' Name." It was sung by the group. Routine reports were given by Mrs. Holmes Cessna and Mrs. Helen White. Mrs. Ruthella Fey gave the sunshine report and Mrs. Smouse and Mrs. Franklin, the report on camp. Mrs. Smouse spoke of the club's civil defense demonstration to be given at the fair.

A white elephant sale was held and \$7.15 was realized. It was decided to hold another at the next meeting, September 14, at the home of Mrs. Smouse. Mrs. Fey and Mrs. Franklin will be co-conductresses. The meeting closed with the group singing "Swanee River." Eighteen members attended.

Miss Susanne Wagner, 209 Union Street, is visiting her grandmother, Mrs. Perry Pennington, Pearisburg, Va.

A reunion of the descendants of Oliver L. Haines, 11 Arch Street, will be held tomorrow at the Celanese pool in the form of a picnic.

Club Has Terrace Party

The Women's Sport Club was entertained at a "Terrace Party" and informal social Thursday evening at the Ali Ghan Country Club.

It was announced that the fall season will begin with a dinner meeting September 8 at the Cumberland Country Club. Mrs. Loretta Cassen was named chairman, assisted by Mrs. Nellie Nycum and Mrs. Elizabeth Cregan.

Bridge and 500 featured the entertainment. Prizes were won by Mrs. Frances Aman, Mrs. Catherine Sowers in 500; Mrs. Martha Gerkins and Mrs. Marjorie Kight, bridge. They were cocktail napkins, a makeup cape, raincape and personalized matches. Special awards were won by Miss Elizabeth Hoover, Mrs. Nycum, Miss Betty Cregan, Mrs. Eleanor Lavin, Mrs. Ann Lottig and Mrs. Betty Hughes. Mrs. Edith Shanholtz was chairman of arrangements, assisted by Mrs. Julia Brant and Mrs. LaVerne Tewell.

Guests were Mrs. Betty Smith, Miss Cregan, Miss Helen Cherry, Mrs. Sowers, Mrs. Edith Messick, Mrs. Edna Seifers and Mrs. Helen Kerns. Other members present were Mrs. Frances Brown, Mrs. Cassen, Mrs. Cregan, Miss Catherine Diehl, Mrs. Mildred George, Mrs. Bessie Hanks, Miss Wanda Lee Hanks, Mrs. Mary Humbertson, Mrs. Gladys Head, Mrs. Sarah Kelley, Mrs. Lillian Klavuhn, Mrs. Martha McNeill, Mrs. Virginia Matt, Miss Marguerite Mullan, Mrs. Madelyn Rizer, Mrs. Veronica Schleifman and Mrs. Dorothy George.

Attends Funeral

Mrs. E. J. McAfee, 69 Prospect Square, has returned from Conneville, Pa., where she attended the funeral of Van Marrietta Wednesday.

Head of the Conneville employment agency, Mr. Marrietta, who had been ill since an operation a couple years ago, died August 6 in the Conneville Hospital.

A roast beef and ham dinner will be served from 4:30 until 7:30 with today at Short Gap fire hall.

Francis Joseph Ritter To Wed Mary K. Newnam

Miss Mary Katherine Newnam, Washington, daughter of William K. Newnam, Cash Valley Road, and the late Mrs. Katherine Alderton Newnam, will become the bride of Francis Joseph Ritter, son of Mr. and Mrs. Paul Ritter, 803 Roeth Avenue, today. The ceremony will be solemnized at noon in St. Mary's Catholic Church, with Rev. James Hobbs officiating.

Mrs. William Miley Jr., Arlington, Va., will be matron of honor; Miss JoAnn Shaffer, Miss Gail Garlitz, Miss Nancy Frantz and Mrs. Robert Goodfellow, Arlington, bridesmaids. William Buzard Jr., Cleveland, will serve as Mr. Ritter's best man, while Richard Goodfellow and Robert Kirby, Alexandria, are the ushers.

Being given in marriage by her father, the bride will wear a floor-length gown, with Chantilly lace bodice and long tapering sleeves embroidered in sequins and pearls, and skirt of silk organza sweeping into a chapel train. A crown of sequins and pearls hold her fingertip length veil of French illusion. Completing her costume, she will carry a white Bible with orchids and white carnation bouquet, which she will dedicate to the Blessed Virgin.

Her matron of honor's gown is a coral silk organza with short sleeves and three-tiered skirt. The bridesmaids' ballerina-length gowns are of silk organza over a Chantilly lace bodice. They all will have matching accessories, small crown and short veils. Miss Shaffer's is mint green; Miss Garlitz' light aqua; Miss Frantz' pink and Mrs. Goodfellow's, blue.

The bride is a graduate of Fort Hill High School, class of 1957 and is employed in the office staff of the Department of Agriculture, Washington. The bridegroom is a graduate of LaSalle High School, class of 1956 and Strayer's College of Accountancy.

A wedding reception will be held at the Elks Club, with a miniature bride and bridegroom adorning the tiered wedding cake. For their trip to Ocean City, the bride has chosen a striped, pure silk shirtwaist dress, with white accessories and her orchid corsage. Mr. Ritter and his bride will reside at 2607 Arlington Boulevard.

Parley Is Entertained

The Past Presidents Parley of the American Legion Auxiliary was entertained by Mrs. Pearl Allen earlier in the week at her home, Goethe Street.

Mrs. Hazel Harney conducted a brief business session. She announced that Mrs. Effie Vogel was named the Past Presidents department chairman for 1960-61 at the convention held recently in Baltimore. Mrs. Marie Kelly will entertain at her home on Maryland Avenue in September.

A social hour followed and refreshments were served. The monthly prize was won by Mrs. Pauline Smith and the hostess prize by Mrs. Kelly. Others present were Mrs. Vogel, Mrs. Maud Banzhof and Mrs. Margaret Graim.

The Allegany Saddle Club will hold a corn roast and picnic for members and their families tomorrow at 12:30 at the Tony Sturtz farm, Oldtown Road, top of Nine Mile Hill.

The Twiggstown Homemakers Club will hold its annual family picnic today. It will be at the home of Mrs. Wade Rice, beginning at 6:30.

Secrets Of Charm by John Robert Powers

Good Grooming Starts Young

Whenever I see young people dressed in their best, invariably I see their best behavior, too. Whether they are toddlers or teenagers, they always seem to prove this axiom: We act the way we are dressed. Doesn't your own experience prove it also?

Now, the constant company of little Miss Muffets or Lord Fauntleroy would be a most unnatural, saccharine state of affairs. But I do suggest that, when the occasion calls for a child's good grooming and good manners, mothers and teachers will find clothing itself is a good inspiration point.

Give the boy neat slacks, a sport coat, a crisp shirt and a bright tie. Have a pretty dress and a fluffy petticoat ready for the girl. Then, sit back and watch the youngsters do by themselves all the things to live up to their "dress up."

You can almost see the scales as they fall from young eyes. At most magically, a soapy wash cloth is demanded; perhaps even the ultimate — a bath. Nearly without nagging, hair is curled, combed. For the first time in their young lives, THEY notice their nails, they see the scuffs on their shoes.

You'll have to pitch in, of course, with the hair-parting and pomading, the polishing and manicuring. But this is important! Don't ever be too busy to help groom the youngsters when they WANT your help. When

they offer themselves as willing victims, they are ready to learn and to retain much that you tell them about caring for their appearance. Take advantage of these natural opportunities to instill neatness when the children themselves are in the mood.

You'll discover those moods match the times they are asked to dress with a degree of formality... for school, church, trips and visits. You'll see how the episodes of nagging coincide with the times you permit the children to dress too-casually, because dressing up is too much trouble — for YOU. How often have you preferred they wear everyday wash pants and wear dresses so that you needn't "worry about happens to them."

Very well, the children won't worry either. And they let themselves become just as careless as they are accused of being. Why should they make the effort to be clean and curled when the results still show up as blue denim and cotton jersey?

It's foolish to try to "save" wear in children's dressy attire. It's outgrown before it's really worn. Rather, save your temper in the good-grooming struggle... and let your youngsters enjoy some natural pride in their own appearance.

County Gets Yearly Financial Report

Allegany County's Board of Commissioners wound up the 1959-60 fiscal year on June 30 with an unexpended balance of \$405,506, according to the annual report of Mrs. Jennie Sills, county auditor.

The report, which is subject to audit by an outside firm, was presented to the commissioners at yesterday's meeting.

When the levy for the 1960-61 fiscal year was fixed the commissioners anticipated there would be a \$415,700 in unexpended funds when June 30 arrived.

Receipts for the year through regular channels amounted to \$4,825,221. Expenditures amounted to \$4,547,935.

Additional receipts came from

these sources: Interest on county money invested in short term government securities, \$38,877; dog licenses, \$7,837, and sale of property, \$18,180.

The balance existing in the county highway fund came to \$70,125 on June 30. There was also a balance in the highway construction bond account of \$72,568. These are earmarked funds.

The county started out the 1959-60 fiscal year with a general fund balance of \$104,064.

William A. Wilson, county commissioner in charge of the county institutions, pointed out that all three, the Infirmary, Sylvan Retreat and Home, came out in the black.

The infirmary wound up \$5,634 in excess funds over the original appropriation; Sylvan Retreat, \$4,480, and Home, \$2,494.

In the receipts, the big income came from taxes on real estate. This amounted to \$2,509,428.

Other major sources of revenue were: Personal property taxes, \$119,598; railroad and utility taxes, \$461,493; ordinary business corporation taxes, \$618,470; bank stock tax, \$32,298.

The following came from the state in taxes re-distributed by the comptroller general:

State income tax, \$194,706; motor vehicle and gasoline, \$431,718; distilled spirits, \$64,236; auto tax, \$41,717; care for insane patients at the Sylvan Retreat, \$84,566; tax assessment revenues, \$16,305.

Relatives of patients at the Infirmary and Home contributed \$47,505 to their care; at the home, \$10,601, and Sylvan Retreat, \$29,886.

County School Bus Record Excellent

The fleet of buses and cars which transport Allegany County public school children completed the last school term with no injuries and only 10 minor accidents which resulted in \$500 worth of property damage, according to Arthur J. Ramey, supervisor of school transportation.

Ramey said the fleet of 120 buses traveled over two million miles during the past school term of 180 days without a single injury to the 7,500 children who are transported.

The school buses are insured so that \$20,000 property damage and several hundred thousand dollars of liability insurance is provided. The buses are operated by individual operators through contract with the Board of Education.

Ramey said that 20 new buses costing from \$4,500 to \$7,500 each, depending on the seating capacity of the vehicle, have been purchased by the bus operators for the coming school term. These buses will replace some which have been in use, Ramey said.

The safety record of Allegany County school buses during the 1959-60 school term was excellent, Ramey said, in view of the number of students transported and the mileage traveled.

Meanwhile, Ramey announced the first of a series of bus inspections which are made during the year.

On Monday, August 22 at 8 a. m. buses will be checked at Miller Brothers Garage on Baltimore Avenue, at 8:30 a. m. at Stonestreet Farm on Breakneck Road, at 9:30 a. m. at Flintstone High School, at 10:30 a. m. at Piney Plains School, at 1 p. m. at Oldtown School and at 3 p. m. at Midlothian.

On Tuesday, August 23 at 8 a. m. the inspection will be held at H. Bender Garage on Bedford Road, at 8:40 a. m. at Collins Garage on Baltimore Pike, at 9:30 a. m. at J. Wilson Garage on Willowbrook Road, at 10:30 a. m. at Fort Hill High School, at noon at Collins Garage at Rawlings, at 12:40 p. m. at Cook Garage on McMullen Highway.

hafts, lights, seats brakes, tires, engine and accessories and first aid kits which are inspected, according to Ramey.

Results of the inspection are sent to the Maryland Department of Motor Vehicles and a duplicate to the Board of Education. After defects are corrected the bus operators must inform the Board of Education within 10 days.

POWER

"Isn't it wonderful, what man can do?" But when looking at man's work, we often overlook the Hand of God. Man harnessed the power in this great dam, but God created it. Long before man discovered the turbine or the electric motor, God placed the power at man's disposal.

God is the source of every one of man's inventive and ingenious undertakings. He gives us the natural resources and the intelligence to use them. And He wants us to use them constructively.

Our Christian faith teaches us of God's power and the vastness of its scope. It teaches us the right use of these blessings, so that life may be enriched by them. Go to church and learn God's plan of love for us and our fellowman. It will mean a better world for all of us.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

West Virginia Schools Will Boost Expenses

Over \$120 Million Scheduled For Year

CHARLESTON, W. Va. (UPI)—West Virginia county school boards will spend upwards of \$120 million for operation of public schools during the coming year. State Board of School Finance figures showed Friday.

It would represent an increase from \$4 to \$5 million from last year.

The board approved 1960-61 budgets for 19 additional counties Friday, bringing the total approved to 51 counties with aggregate spending of \$98,751,172.

The four counties whose budgets have not yet been approved are Kanawha, Mingo, Grant and Putnam, which last year spent some \$21 million dollars for their schools. Kanawha's budget alone totaled more than \$16 million and Mingo's \$3.21 million.

The \$98,751,172 total for approved budgets represents an increase of \$4,075,094 over the budgets submitted by the same 51 counties a year ago.

Counties whose budgets were approved Friday, and the comparison with last year's figures, include:

Berkeley \$1,689,405, up \$225,901; Braxton \$46,414, down \$,594; Doddridge \$10,464, down \$15,696; Greenbrier \$1,131,317, down \$6,547; Hampshire \$655,010, up \$3,483; Hancock \$2,608,700, up \$91,174; Lincoln \$1,457,664, up \$1,176; Mason \$1,770,132, up \$28,393; Mercer \$4,350,533, up \$36,868; Mineral \$1,335,212, up \$1,658.

Monongalia \$3,280,054, up \$221,276; Nicholas \$1,571,202, down \$11,138; Ohio \$3,361,615, up \$45,487; Pleasants \$58,099, up \$2,744; Upshur \$1,048,875; Roane \$80,436, up \$9,923; Webster, \$42,747, up \$1,861; Wirt \$264,280, down \$3,556 and Wyoming \$2,818,210, down \$50,069.

W.Va. Demos Aim To Restore State Economy

Convention Hears Senator Bean

By CARLO SALZANO
United Press International

CHARLESTON, W. Va. (UPI)—West Virginia Democrats, setting the theme for their fall election campaign, pledged Friday to restore the state's economy to a sound basis and move the Mountain State forward on the road of progress.

Speakers at the party's state convention also made it clear they were not going to take Republican accusations of doing nothing Democratic Legislatures; among other things, without fighting back.

Delegates adopted a platform which leaders hailed as "a progressive program for West Virginia," named presidential electors and heard a first-hand report from presidential nominee Sen. John F. Kennedy and his running mate, Sen. Lyndon Johnson.

Gubernatorial nominee W. W. Barron, State Chairman Hulet C. Smith and Senate President Ralph J. Bean set the tone for the state campaign in speeches to the convention. Kennedy and Johnson talked by telephone from Washington and the call was amplified for delegates to hear.

Kennedy and Johnson said they would campaign this fall in West Virginia and promised to do what they could to help relieve the state's economic plight. Kennedy repeated a primary campaign statement saying that if elected president, he would take positive action within 60 days to help the state. Johnson said he would "work my finger nails off" to see West Virginia get what it deserves.

Sens. Robert C. Byrd and Jennings Randolph, both originally scheduled to participate in person on the convention program, introduced Kennedy and Johnson and expressed regrets that congressional business prevented their attendance here.

Barron was the convention's principal speaker. He pledged a program of six steps which he called "specific proposals for building a better West Virginia" if elected in the Nov. 8 balloting.

They included establishment of a state department of commerce and labor leaders to "break the deadlock which has paralyzed progress" in West Virginia; creation of a research and planning center at West Virginia University; a massive cleanup campaign in the state; changes in the state's tax structure, and relocation of underground defense industries in West Virginia.

He accused the Republicans of failure to provide leadership in the state and said a Democratic victory this year would provide the state with "imaginative leadership at every level of government."

Bean said the Democratic-controlled Legislatures could be justly proud of their record since Republicans took over state government in 1957.

He said no other Legislature in the state's history had given the State Road Commission \$10 million additional at one time, as was done in 1959, nor provided as much money for higher education as did the 1960 session.

"Republicans who call it a do-nothing Legislature have failed to look at the record," Bean declared.

Smith asked that Democrats join in a victory march using the successful 1958 campaign slogan of "Work Together, Win Together." He said "contrary to what the Republican spell-binders have been saying there still is a recession in West Virginia."

"How long must this continue?" he asked.

Valley Is Invited To Water Show

LONAONING — Valley High School has received an invitation from the Mountain Top Chamber of Commerce, Oakland, and Deep Creek Lake-Garrett County Promotion Council to participate in the spectacular water ski show and boat parade on Sunday, August 28, at 2 p.m. (EDT).

The program is built around the theme, "Cruising Down The River" and boat floats will be decorated to a song theme.

Bands will play from lake barges according to Mavaddell C. Dodaro, information secretary of the Mountain Top Chamber of Commerce.

Water Safety Courses Set By Red Cross

Enrollees are being sought for the junior and senior lifesaving course which will be offered during the next two weeks by the Allegany County Chapter of the Red Cross.

The course will be taught from 6 p.m. till 8 p.m. each evening at the Amcelle pool by Lawrence Brehm, and will begin Monday.

A water safety aide course, the first in recent years, will be taught at the same time. Anyone with a senior lifesaving card is eligible to take the course. Those who complete the course will be qualified water safety aides, a step toward becoming an instructor in water safety.

This course is open to those persons 14 years or older holding a senior lifesaving card. Anyone interested in taking the courses may contact the instructor Monday evening at the pool.

Fifteen hours is required for the junior lifesaving course and the age limit is 12 to 15. Seventeen hours is required for the senior lifesaving course, open to persons 16 years or older.

Church Plans Service In New Building

Knobley Church of the Brethren near Martin, W. Va., will move into its new building tomorrow, according to Rev. Owen G. Stultz, pastor.

Rev. Mr. Stultz said the sanctuary is nearly completed but some work is still to be done on the fellowship hall.

The new structure when completed will cost \$30,000. The total cost was made considerably less by the use of volunteer labor, Rev. Mr. Stultz said.

The one-story "L" shaped brick structure will provide for worship and the Christian education and fellowship needs of the community.

A special service will be held tomorrow at 7:30 p.m. in the old church building, which is now 84 years old.

After a brief worship service there, the congregation will move as a group to the new church building.

Rev. Mr. Stultz also announced Rev. Carl H. Zigler is the guest speaker at special services now being held at Sunnyside Church of the Brethren near New Creek, W. Va.

Special music and messages for children are planned each night. The service begins each evening at 7:45 p.m.

Two Ohio Women Hurt In Crash Near Capon Bridge

Two Logan, Ohio, women were injured yesterday in a collision near Capon Bridge, W. Va.

Admitted to Hampshire Memorial Hospital in Romney was Mrs. Emma Rochester, 48, who sustained possible fractured knee caps. Her condition was reported fair last night.

Injured was Mrs. Sonya Bateman, 25, who was treated for cuts. The women were taken to the hospital in the ambulance of the volunteer fire company of Capon Bridge.

The women were reported to have been injured in a head-on collision although details were not learned from West Virginia state police.

The accident was reported to have occurred about 4:45 p.m. and the women were at the hospital about 6 p.m.

Texan To Sing At Church Here

Miss Ramona Lee Elbin, Houston, Texas, will be guest soloist at Centre Street Methodist Church at both the 9:30 and 11 o'clock services Sunday morning. She will sing "How Beautiful Upon The Mountains."

Next Thursday at 12:15 p.m., she will sing at the weekly meeting of the Cumberland Kiwanis Club at Central YMCA.

On Sunday, August 21, Miss Elbin will be the soloist at Central Methodist Church at the 11 o'clock service. She will be accompanied by James Bobo. The Wesley Methodist Chapel at Short Gap, W. Ron Hansen's Homer Wins Game In 9th

Estrada, 4th Bird Pitcher, Notches 13th Win In Relief

BALTIMORE (UPI) — Ron Hansen's lead-off home run in the ninth inning Friday night gave the Baltimore Orioles a 4-3 uphill victory over the Boston Red Sox.

Hansen's 14th homer of the year off loser Mike Fornieles gave the Orioles their seventh straight victory, tying the all-time club record established in 1955 and equaled in 1958.

Chuck Estrada, fourth Oriole hurler, pitched the final two innings to earn his 13th triumph against six losses. He followed Steve Barber, Wes Stock and Gordon Jones.

Baltimore blanked by Billy Muffett on two hits until the seventh, scored a run in that inning on Hansen's double and a single by Marv Breeding. They tied the score at 3-3 in the eighth on Jim Gentile's 17th homer, following a walk to pinch hitter Gene Stephens. The round tripper came off Tom Borland, who had relieved Muffett.

The Red Sox took a 1-0 lead in the second inning off Barber on a walk to Frank Malzone and singles by Rip Repulski and Jim Pagliaroni.

They counted two more in the third off Stock on one of Hansen's three errors in the game and a triple by Pagliaroni.

Ralph Boston Sets World Record For Broad Jump

WALNUT, Calif. (UPI) — Ralph Boston of Tennessee A&I broad jumped 26 feet, 11 1/4 inches Friday night to break Jesse Owens' 25-year-old world record-oldest mark in track annals.

Boston's brilliant performance was one of three new world records set in the final dress rehearsal of the U.S. Olympic track and field team before departing for Rome. Bill Nieder, merely an alternate on the Olympic team, shaved the shot put 65 feet, 10 inches to surpass his pending mark of 65 feet, 7 inches, and Hal Connolly eclipsed his hammer throw record with a prodigious heave of 230 feet, 9 inches.

Boston's broad jump bettered the world mark of 26 feet, 8 1/2 inches set by Owens at Ann Arbor, Mich.

Republicans Square Series With Caseys

The Republican Club whipped the Knights of Columbus yesterday by the score of 4-2 and evened up the playoff series for the first half championship of the Frostburg Little League at one all.

With the score knotted at 2-2 in the bottom of the fourth frame, Steve Hoopengardner pilfered home with what proved to be the winning tally and Sigler's single accounted for the insurance marker.

Ed Dudley, who replaced Sigler on the mound in the second inning, received credit for the win.

Bob Seibert paced the GOP at the plate with a double and single. Vic Ryan obtained two hits and Fike belted a home run for the Caseys.

The third and deciding game in the series is set for Monday at 6 p.m. Score: 010 000-2-4-0
K. of C. 010 000-2-4-0
Fike and Ryan, Sigler, E. Dudley (2) and Seibert.

Lonaconing Takes Lead

Trims Westernport, Breaks Twilight Tie

Lonaconing broke a first place tie with Barton in the Twilight Baseball League by whipping Westernport to the tune of 11-0 yesterday at Barton.

Barton and Lonaconing were tied at 17-5 before yesterday's game. Barton has two more games on its schedule and Barton one.

John Wilson went the route for Lonaconing yesterday's game and limited Westernport to a pair of singles credited to Shimer and J. Hill. The Lonaconing hurler fanned seven and issue only two passes.

"Cokie" Robertson and Everett Spiker collected three hits each for the winners while Roger Wilson hit safely twice and Curt Johnson and Ray Ralston rapped two-baggers.

REC HIGH SCHOOL BASEBALL
Standing Of The Teams

The Rec High School Baseball League concluded its regular season yesterday with the V.F.W. winning the pennant for the third consecutive year.

In final games the Vets trimmed Gurley's at Stitches Field by the score of 8-1, in a game limited to four complete innings by darkness. Bernstein's downed the Toy Shop at Fort Hill Field, 5-1, and the Forty & Eight Club defeated Curl's Camera Shop, 6-2, in a six-inning affair at Allegany Field.

Roger Manges posted his fifth win of the season against a single loss as the Vets closed the campaign with an 11-1 record. This is Manager Earl Drenning's third championship team since the league was formed.

John Price tossed a 4-hitter, struck out 11 and belted a two-run home to deep centerfield in the fifth inning to feature Bernstein's triumph over the Toy Shop. Dick Peck collected three hits and Bill Norris and Mike Long belted three-baggers for the winning team. Price's record for the season is 5-2.

Two of the four hits credited to the Toy Shop were credited to Ted Femi who smacked a double and single.

Lefty John Hinds yielded only four hits and fired the third strike past seven in the Forty & Eight Club's win over Curl's. Darkness halted hostilities in the top of the 7th frame.

Marty O'Toole clouted a homer and single and Gary Zembower had a pair of one-base raps for the Forty & Eight Club.

The playoffs are scheduled to get under way next week.

Lead Of Bucs Is Reduced To Three Games

Boyer Hits 3-Run Homer As St. Louis Collects 13 Blows

PITTSBURGH (UPI) — Ken Boyer smashed a three-run home run and Stan Musial hit a bases-loaded single that set the pattern Friday night for the challenging St. Louis Cardinals who routed the Pittsburgh Pirates, 9-2, and cut the losers' National League lead to three games.

The runner-up Cardinals, still fired up by their close 3-2 victory over the Pirates in the opener of a five-game series Thursday, rattled 13 hits off three pitchers. The barrage eased the way for righthander Bob Gibson who was touched for ten hits but was in command all the way. He struck out six in bringing his season chart to 3-3.

Boyer hit his 25th homer off loser Groat Witt in the first inning after leadoff batter Manny Pina and Daryl Spencer walked successfully. Musial, whose climactic two-run homer won Thursday night's game, stroked a single with the bases loaded that accounted for two of four runs in the seventh inning, all off reliever Fred Green.

The Cardinals deepened the Pirates humiliation with a run in the eighth. They also scored a run in the fifth inning on a single by Carl Sawatski, a double by Curt Flood, an intentional walk to Spencer and Bill White's single.

The Pirates appeared to meet the challenge of the Cardinals, holding them to a 3-2 count going into the fifth inning. In the first inning Dick Groat smashed the ball along the rightfield line and it caromed off the wall for an inside - the - park homer. It was his first roundtripper of the season.

In the second inning, Smoky Burgess hit the first of his three singles and Don Hoak got his first of two singles. When Bill Mazeroski forced Hoak at second, Burgess scored. Bill Virdon and Groat walked to fill the bases after Joe Gibson sacrificed but Skinner fouled out to Boyer to end the threat.

The Cardinals experienced two casualties. Javier was injured in the third inning trying to stretch a single. He was struck in the head going into second and stunned momentarily but he walked off the field under his own power. Sawatski left the game in the fifth inning after the index finger on his right hand was injured. The wound required five stitches and the catcher was expected to be out of action for 10 days.

Unitas-Moore TD Passes Feature Colts 32-7 Win

Myhra Kicks Three Field Goals Against College All-Stars

CHICAGO (AP) — Unerring Johnny Unitas hurled three touchdown passes to Lenny Moore, pacing the relentless Baltimore Colts to a 32-7 victory over a game, stubborn College All-Star team before 70,000 in Soldier Field Friday.

The 27th All-Star game almost duplicated last year's 29-0 triumph by the champion Colts of the National Football League over the cream of the collegiate crop. Although the Colts surged to a 24-0 halftime margin, Coach Otto Graham's All-Stars made a brave show of it and finally scored in the opening seconds of the fourth period on a pass play covering 60 yards from Southern Methodist's Don Meredith to Oklahoma's Prentice Gautt.

Unitas, who left the game with Baltimore ahead 26-0 late in the third period, completed two three-yard scoring passes, and one 13-yard touchdown toss to fleet half-back Moore.

Myhra Scores 12 Points
The pros also got a 12-point contribution from kicking expert Steve Myhra, who booted three field goals — two measuring 27 yards and one 38—and converted after all three Colt touchdowns.

Two more Baltimore points came when Notre Dame's George Izo was nailed for a safety in the third quarter.

It was the 17th pro triumph against 8 collegiate victories and 2 ties in the midsummer grid spectacle sponsored by Chicago Tribune Charities, Inc.

The Colts, however, suffered a blow when ace offensive lineman Jim Parker's left hand was broken early in the third quarter.

The collegians never quit, even though they failed to get any sustained offense clicking other than Meredith's payoff pitch to Gautt and the ex-Mustang's consistent tosses to end Gail Coghill of Washington State.

Gautt's touchdown came after he snagged a Meredith pass of about 10 yards and then scooted 50 yards to score after a great key block by North Carolina tackle Don Stallings. Mississippi's Bob Khayat added the extra point.

Baker Of PE Hurls No-Run No-Hit Game

Defeats DAV, 3-0, Redmen Score, 10-2

Pete Baker turned in a no-run no-hit performance yesterday as Potomac Edison spilled the D.A.V. in a Rec Softball League game at Naval Reserve Field by the score of 3-0.

The defeat knocked the D.A.V. (10-5) out of second place in the league's American Division and Bennett's Transfer moved into the runner-up spot with 11-5, five games off the pace.

Baker faced only 23 batters in the 7th inning game, issued two walks and one error was charged against his team.

John Burkett and John Walker shared four of the P. E.'s nine hits and Bob Paye batted in two runs.

In the same division, the Old Germans spotted the Fraternal Order of Police 10 runs in the first inning then came back to win by the score of 15-12 at East Side Field.

Buck Warnick and "Burn" Shroat each had five hits in five official trips for the Old Gees. Warnick clouted two homers, two doubles and a single while Shroat collected a pair of triples, two two-baggers and one single.

Carl Bennett rapped a pair of two-baggers and two singles and "Ike" Iser excelled at second base for the Police.

The Redmen took a two-game lead over The Bowler in the National Division of the league by trimming the Salvation Army, 10-2, on a six-hitter by Danny Knippenberg, southpaw ace, who made his season record 11-0. Denny fanned six and issued no walks.

The victory gave the Redmen a 16-12 record while The Bowler holds second place with 14-4.

Deb Payton, Fred Meeks and Jim Miller collected two hits each for the Redmen. Gene Horton obtained two hits in three official trips and Tom Willison starred in left field for the Salvation Army.

Phillies Trim Chicago, 10-6

PHILADELPHIA (UPI) — The Philadelphia Phillies came up with five runs in the seventh inning Friday night to defeat the Chicago Cubs, 10-6, in the teams' private battle to keep out of the National League cellar.

The Phils, helped by Hobbie's wild throw, cut this to 4-3 in the fifth and then chased Hobbie and roughed up reliever Don Elston in the seventh.

Moorefield-Centerville Game Tops Pen-Mar Slate Today

First Place Hyndman To Meet Cards

Four Games Listed Sunday; Romney Is Site Of Twin Bill

Two of the four teams involved in the battle for the third and fourth place playoff spots in the Pen-Mar Baseball League will clash today when the Centerville Reds (12-8), victorious in their last three outings, face the Moorefield All-Stars (12-10) at Moorefield at 1:30 p.m., EST.

Frank Hite's Centerville tossers occupy third place and Moorefield is fourth. Mt. Savage (11-10) and Frostburg (10-11) are fifth and sixth, respectively, and are still in contention, each having seven games to play before the campaign ends September 5.

Moorefield has beaten Centerville twice, 6-5 and 8-0, while losing 8-3. Today's game is the final of the series.

Played Tie Last Sunday

Hyndman and Salisbury, halted last Sunday in the 7th inning by rain with the score knotted at 1-1, will resume hostilities today at 2:30 p.m., EDT., at Salisbury. Hyndman is the league leader with a 13-5 record while Salisbury is 7th with eight wins and 13 losses. Hyndman holds a 2-1 edge in wins while the fourth contest ended in a tie.

Four games are on tap for Sunday, namely, Hyndman at Flintstone, Mt. Savage at Moorefield, Salisbury at Barreville and Centerville at Frostburg.

Bob Bryant's Hyndman tossers have won three in a row from Flintstone, 11-3, 8-3 and 9-3 and will be seeking a 4-game sweep tomorrow. The Farmers are buried deep in the league cellar with a 2-20 record.

Mt. Savage has been a pain in the neck to Moorefield and the West Virginians will be out to salvage the series finals after having dropped 6-5, 7-5 and 9-1 decisions.

Barreville, occupant of 2nd place with a 15-6 mark, hopes to make it four straight over the Cardinals who have dropped 5-2, 5-2 and 6-0 games to the Old Exports.

The Centerville-Frostburg series also ends tomorrow with the Mountain City club seeking an even break. The Reds have won by scores of 9-3 and 13-6 while Frostburg scored a 3-1 victory. A victory would put Joe Langan's team in the .500 class at 11-11.

Twin Bill At Romney

Romney will be the scene of the opening games of the Hampshire County Baseball League playoffs on Sunday. At 12:30 p.m., E.S.T., the pennant winning Springfield Rockets will battle Capon Bridge while in the nightcap Junction will meet Augusta.

Springfield has beaten Capon Bridge by scores of 9-1 and 13-1. Junction, boasting an eight-game winning streak, has downed Augusta twice, 10-2 and 5-3.

The winners of Sunday's games on the Romney High School Field advance to the playoff finals for the first of a best-of-three games series commencing next Saturday. The second game is set for Sunday, August 20, and the third, if necessary, on Sunday, August 27.

Springfield won the pennant in 1959, the first year of the league, and repeated this year. There was no playoff series last season.

Maxwell Homer Wins For Tigers

CLEVELAND (UPI)—

Charley Maxwell hit a two-run homer in the 10th inning for Detroit Friday night to beat Cleveland 6-4 and give Joe Gordon his first victory over Jimmy Dykes since the two traded managerial jobs.

Detroit 6-4, 0-0 0-0 0-0 2-6 8 1 Cleveland 4-1, 0-0 0-0 0-0 4-13 1 Bunting, Sinner 9 and Folger, Grant, Locke 3, Kippstein 5 and Wilson, Winer-Sisler 6. Loser-Kippstein 3-5. HR—Maxwell 2.

PPG, Caseys Play To Scoreless Tie

Pittsburgh Plate Glass and the Knights of Columbus battled to a ten-inning scoreless tie yesterday at Celanese Field in a game halted by darkness.

Bill Thompson and Al Sheetz were the opposing pitchers.

It was the second straight time the teams had battled to a tie. On August 2 they were knotted 8-8 at the end of eight innings when darkness halted the fray.

5 New Grid Coaches 28 Games Postponed
Birds Good Long Shot Joe Defends 2nd Title

By C. V. BURNS

FIVE SCHOOLS in Western Maryland and nearby West Virginia will have new coaches at the helm when the 1960 football season rolls around next month. They are James Mangos, who replaces Don Harden at LaSalle; Carroll Baumgartner who succeeds Denver Mitchell at Northern High in Garrett county; Harlan Hott,

who takes the place of Curtis "Gus" Smith at Franklin; Roger Parker, who replaces Eddie Hartman at Romney High and Richard Harmon at Martinsburg in place of John C. Coburn. The training season for high school teams opens officially on Monday. The first games are set for Friday, September 9.

Here are the records of most of the area coaches when the 1959 season ended:

WHAT COULD BE a record number of postponements on account of rain in a single season might be established by the Pen-Mar Baseball League which is in operation for the 12th consecutive year.

John "Joker" Boyle informs us that a total of 28 games have been rained out to date and the regular season runs through Labor Day.

Jupiter Pluvius has knocked out 14 games on Wednesdays, nine on Sundays, three on Memorial Day and two Saturday contests.

BROADWAY bookmakers are betting that the Pittsburgh Pirates and the New York Yankees will meet in the World Series.

Those clubs are quoted odds on favorites in the new lines announced Wednesday for the pennant races.

It's 9-5 that Pittsburgh DOES win the National League flag, and its 6-3 that New York DOES take the American League bunting.

Here are the complete lines for each league:

NATIONAL — Pittsburgh, 9 to 5 to win. Others don't win: Milwaukee 4-1, Los Angeles 5-1, St. Louis 6-1, San Francisco 20-1, Cincinnati 50-1, Philadelphia 100-1, Chicago 100-1.

AMERICAN — New York, 6 to 5 to win. Others don't win: Chicago 9-5, Baltimore 4-1, Cleveland 5-1, Washington 30-1, Detroit 50-1, Boston 100-1, Kansas City 100-1.

The best long shot at the moment appears to be Baltimore at 4 to 1 against winning the A.L. flag.

JOE HEMMIS will defend the title he won a year ago when he participates in the Canadian motorcycle hill climbing championships at Kitchener, Ont., Wednesday, October 12, which is Thanksgiving Day in Canada.

Hemmis was noted out by Charles Jacobs, of Bangor, Pa., for the U.S. hill climbing title last Sunday at Muskegon, Mich., but he won the national point scoring championship for the third straight year with 195 tallies. Jacobs was runner-up with 105. This is the Cumberland's fourth national scoring title.

Last year, Joe won the U.S. and Canadian hill climbing championships and was also the nation's top point scorer.

MANY STORIES are told about Connie Mack in the days when he managed the Philadelphia Athletics.

We like the one about Mr. Mack sending a youngster up to pinch-hit against Walter Johnson. Three strikes later the boy was back on the bench.

"You could at least have taken your bat off your shoulder and swung," Mr. Mack said in a pained but patient tone of voice. "What were you waiting for?"

"I was waiting for his curve ball, Mr. Mack," the freshman answered.

"I guess I should have told you," Connie sighed, "Johnson doesn't have a curve ball. As you learn more about him you will find out he doesn't need one."

MOST DISAPPOINTED person when Robert Moses "Lefty" Grove was forced to turn down an invitation to the Old Timers Game at Yankee Stadium today was Johnny Neun, scout for the New Yorkers.

Neun was the first sacker on the Martinsburg Blue Ridge League team of 1920 when Grove made his minor league debut. "Hack" Wilson was a member of the same team. Grove had a 3-3 record that season and was sold to Jack Dunn's Baltimore Orioles.

Bob Fishel, public relations man for the Yankees, called the writer and requested that we contact Grove because he was unable to get in touch with the Lonaconing Hall of Famer.

Grove told us that he has been ailing for the past

month and would be unable to make the trip to New York.

Those accepting invitations to the Old Timers Day game have all expenses paid and receive gifts from the New York club. Grove, incidentally, posted a 34-26 record against the Yankees during his 17 seasons in the majors with the Athletics and Red Sox.

WALTER HAIGHT, Washington turf writer, points out that Timonium moves into its longest meeting, 24 days, commencing today with the first 12 days labeled Cumberland at Timonium.

"Many of us are going to miss Cumberland at - Cumberland," Haight wrote, "and hate to see old Fairgrove, as the scene was affectionately known, go by the boards because of two counts: (1) progress. (2) money."

KENNY SIMS, who has turned out many winning teams at Green Bank High School in Pocahontas county, W. Va., is unable to accept the football coaching appointment at Charles Town High School, according to T. A. Lowery, Jefferson county superintendent.

Sims has been building a new home and desired to remain at Green Bank.

The vacancy was created at Charles Town when Richard Harmon took over the head coaching job at Martinsburg High School.

Among the other applicants for the job are Roy Comer, former Ridgely High and Shepherd College athlete, who has been coaching at Chestertown (Md.) High School for the past three years, and Paul L. Flick, present assistant grid coach and head track coach at Fort Hill High School.

The school board may reach a definite decision at its meeting next Tuesday.

FORD FRICK, baseball commissioner, says none of Babe Ruth's homers bounced into the stands in 1927, the year the Babe hit his magic 60.

He cleared the barrier on the fly except No. 27 which went for an inside-the-park homer at Detroit.

Frick should know because he was a newspaper reporter in those days and covered the Bambino's deeds.

Mrs. Stranahan Goes To Canadian Finals

SAINT JOHN, N. B. (AP)—Mrs. Frank Stranahan of Toledo, Ohio, defeated Joanne Goulet of Regina, 1 up, Friday and gained the 36-hole final round of the Canadian Women's Amateur Golf Championship. She will oppose Judy Darling of Hudson Heights, Quebec, for the title Saturday.

Miss Darling advanced with a 7 and 6 conquest of Gail Harvey, 17-year old Scarborough, Ont., miss.

Greenpoint Inn's Old Exports eked out a 2-1 decision over Ellerslie yesterday at Ellerslie when Walter Basilio blasted a two-run homer in the top of the 7th inning to give Junior Brelsford the decision over Vernon Lowery in a pitching duel.

The win gave Brelsford a 25-2 record. The loss was Lowery's seventh against 19 victories.

Jim Mathews singled accounted for Ellerslie's run in the third frame. Basilio and "Tag" often had two hits each for the Old Exports.

In other league action yesterday, Stringtown trimmed the Corriagville Hermans, 8-4. Melody Manor downed Fossilville, 13-3, and Kennell's Mill defeated Wellersburg, 12-6.

Homers were clouted by Bob Burkett of Melody Manor and "Boo" Shaffer of Stringtown which reeled off its fifth consecutive victory. Curt Hoselrode posted his tenth win of the season for Stringtown. Scores:

BASEBALL'S "MAN IN BLUE"

Ban Johnson, pioneer president of the American League, once said: "A good umpire is an umpire you don't notice. He's in the game all afternoon (that was before night ball) and when the game is over you can't remember his name."

That apt description of the perfect "man in blue" fits Charley Berry about as well as any of the 36 major league umpires now operating.

This is Berry's 18th season in the American League, and he's really enjoying it. "I wouldn't care to change places with anyone," says the six-foot, 212-pound caller of balls and strikes.

He's had a lot of ballplaying experience as well. He was a catcher before donning mask and protector, and even tried his hand at managing a team. That was in Wilmington, Del., in 1940. As catcher, he caught some of the great pitchers like Lefty Grove and George Earnshaw with the Philadelphia Athletics, and Charley Ruffing when both were with the Boston Red Sox. He also played with the Chicago White Sox. He played in 709 big league games and hit .267.

Charles Francis Berry was born 57 years ago in Phillipsburg, N. J., and like most umpires has a family—his wife Helen and three daughters, Helen, 32, Charle, 23, and Lynn, 21. The Berrys were married in 1926.

Umpire Berry is pictured here, on and off the field.

THE BEEF: Manager Al Lopez of the Chicago White Sox complains about a Yankee pitcher who was taking too much time to enter the game. As usual, Umpire Berry had the final word.

LIGHT MOMENT. Frank Umont, right, tells story to, (L. to R.), Cal Drummond, Charley Berry and Larry Napp.

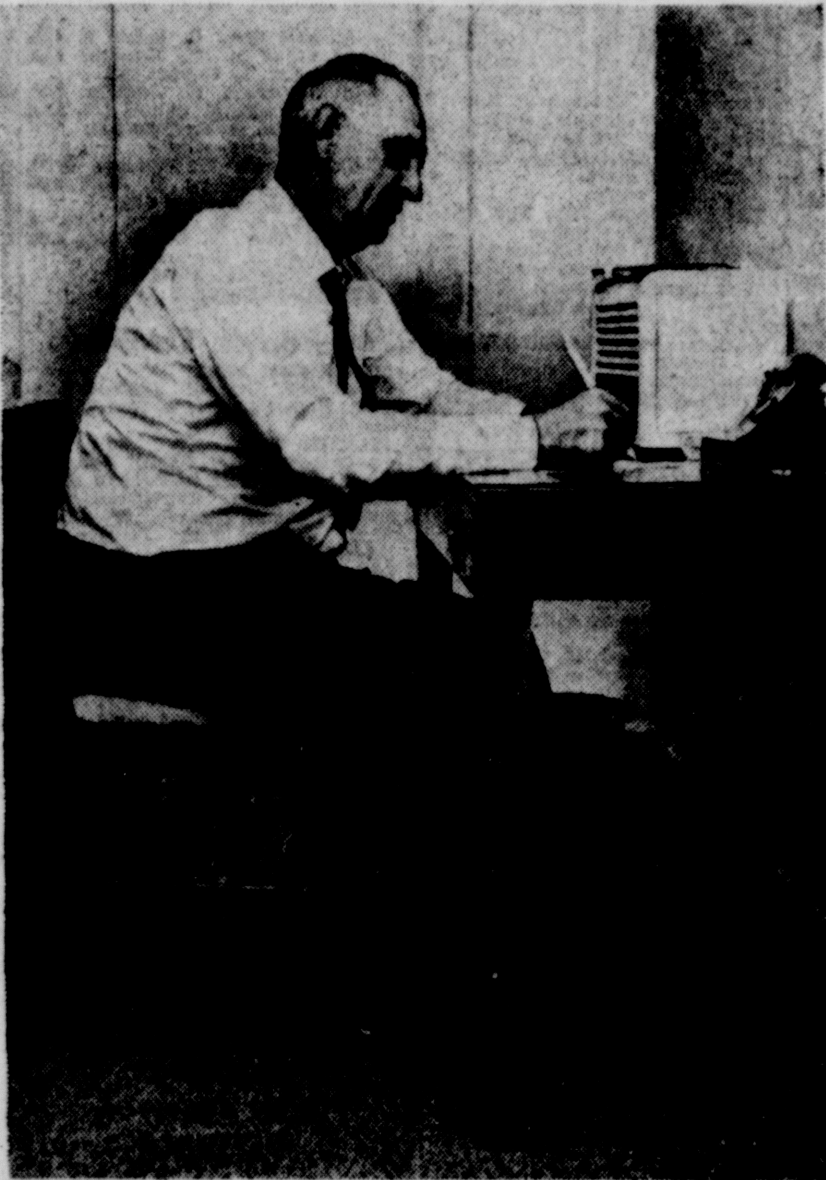

Berry puts new balls in bag after rubbing them with mud to remove gloss from horsehide. . .

... and blows up chest protector .

With shin guards, Berry plays safe against those foul tips and wild pitches.

Back in hotel after game, Berry writes letter to the missus.

Then comfortably stretched out on bed, he watches television before retiring for the night.

Ann Landers ... Answers Your Problems

DEAR ANN LANDERS: Why is it that the people who have money always win everything? They're lucky at cards, they clean up at the races, win all the door prizes, and it seems like their numbers get picked at every raffle.

I've been to several charity affairs and it never fails. When they call out the winner of the Cadillac, it's always Mrs. Moneybags who already has two.

I've often thought how gracious it would be if one of these rich winners would say, "I'd like to turn back this prize to the organization, and let them auction it off." But they never do.

Please explain this quirk in human nature, and give me your views—NEVER WON A THING IN MY LIFE.

DEAR NEVER: The rich don't always win. It just seems that way.

Rich or poor—everyone likes to win. It gives them a feeling of superiority and sets them apart from the crowd. This may be part of the reason some rich people are rich.

DEAR ANN LANDERS: I am a boy 14. Ever since I can remember my mother has been telling us kids that Dad's relatives are nothing but trash.

My father's family had a big reunion last weekend and Mom refused to go. She talked my older sister into staying home, but I decided to go with Dad.

Well, I had the time of my life. I met uncles and aunts and cousins who were just wonderful. When I came home and told Mom how swell everybody was she got mad and said I was stupid and that Dad had brainwashed me.

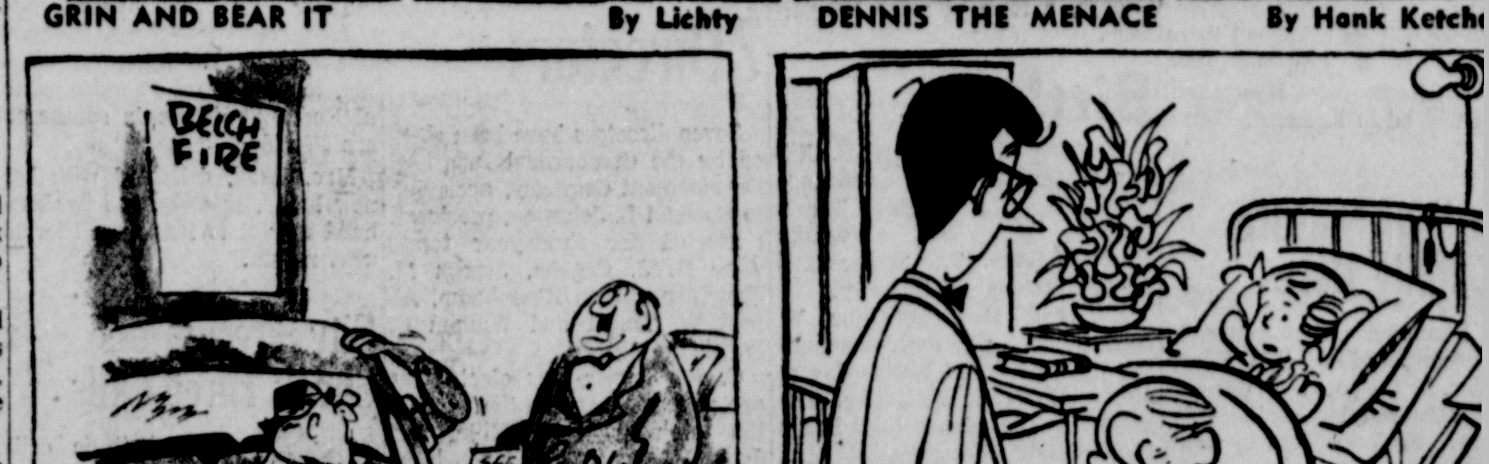

I want to get to know Dad's relatives better but I hate to cause more trouble in our family. There's plenty now. What shall I do—OPENED EYES.

DEAR OPENED EYES: A boy 14 is old enough to decide for himself what people are like.

If you think your dad's relatives are swell and want to know them better, you should be permitted to do so with no editorializing from your mother. But don't add fuel to the fire by telling Mom how great Dad's relatives are when you know she dislikes them intensely.

DEAR ANN LANDERS: My friends think this is very funny. I fail to see the joke. My wife got a double march fracture from shopping in the stores. This is a painful disorder of the foot, which usually comes from excessive walking. She'll be on crutches for several days but the doctor says she'll be able to put on low-heeled shoes soon, which means she'll be pounding the cement again.

We've been married 14 years and have no children. Gloria is a fair housekeeper and cook. But it makes me disgusted that she has no interests except clothes and do-dads. I think it's terrible for a woman to build her whole life around shopping.

ABL Rocket Is Stage Of Project Echo

Altair Casing Will Remain In Orbit

Hercules Powder Company's Altair rocket, developed at the Navy-owned, Hercules-operated Allegheny Ballistics Laboratory was the third stage of the 92-foot Thor Delta vehicle which placed Project Echo's 100-foot balloon satellite into an orbit 1,000 miles above the earth yesterday.

In yesterday's successful firing, the first stage Thor provided the initial 10 seconds of powered flight before burnout.

In rapid sequence the second stage ignited and fired for a period of about 115 seconds providing impetus which allowed the vehicle to coast eight hundred miles into space.

After coasting for nearly 15 minutes, a small spin rocket was used to spin the third stage Altair up to 120 revolutions per minute in order to stabilize its flight. The motor then ignited and the second stage separated.

Goes Into Orbit
Weighing more than 500 lbs. including the propellant, and producing a thrust of about 3,000 lbs. for a period of almost 40 seconds, the Altair attained orbital velocity of about 16,000 miles per hour.

When the third stage burned out, the empty Altair case separated from the payload and went into its own orbit near the sphere.

The Altair, for the first time, was instrumented with telemetry equipment which will operate at a frequency of 108.06 megacycles continuously for about six to ten days so that the third stage casing can be accurately tracked. The casing is expected to remain in orbit near the inflated sphere long enough for scientists to obtain accurate optical "fixes" on the satellite itself.

Light, Strong Casing

The design of the Altair is unique in that all major inert components are fabricated from high-strength reinforced plastic. The extremely strong, lightweight Spiralloy case permits a greater weight propellant, or "more push per pound" to be used in the finished rocket motor.

This advantage of high propellant to inert part weight ratio is of great significance for those rocket motors intended to be fired at extreme altitude. It enables a great weight reduction to be made in the early stages of the missile, where hundreds of pounds of propellant must be provided for every pound boosted into space.

Hercules' Altair is considered by space scientists to be the most reliable and most advanced solid propellant rocket motor for space research available to the free world. It has the highest performance of any solid propellant rocket now in operational use and has been called a major technological advance in modern rocketry.

Area Man Dies Of Gun Wound

Harold Lewis Shriver, 34, of Moorefield, W. Va., was found dead yesterday morning of shotgun wounds.

Authorities said Mr. Shriver was found in a garage of the Potomac Light and Power Company by two employees when they came to work yesterday morning. It is surmised that Mr. Shriver, an employee of the power company, drove to the garage sometime Thursday night.

Trooper Jack L. Baker of the West Virginia State Police investigated and ruled the death a suicide.

Mr. Shriver was born at Martinsburg, W. Va., and was a son of Lloyd L. and Madge (Vanscoy) Shriver, of Romney, W. Va.

Surviving besides his parents, are his widow, Evelyn (Haines) Shriver, and two children, Carol and Alan Ray, both at home.

He was a member of the Methodist Church and was a veteran of World War II.

The body will be at the Thrust Funeral Home today from 10 a. m. until 5 p. m. when it will be taken to the Shaffer Funeral Home, Romney.

Services will be conducted there tomorrow at 3 p. m. by Rev. Charles Roth of Moorefield. Burial will be in Ebenezer Cemetery.

Film Will Feature YFC Rally Here

The Youth for Christ teen rally will present a film, "To Every Creature." It portrays difficulties encountered by frontier missionaries. Skilled pilots and radio men are shown in action.

The rally will be at 115 North Mechanic Street at 7:45 p. m. today. Everyone is welcome to attend.

Deaths

Boyle, Mrs. Terrence J., 70, former resident.

Davis, P. Sherman, 82, Salisbury, Pa.

Smoot, Mrs. Edward, 72, Three Churches, W. Va.

Librarians Inspect Bookmobile

Miss Mary G. Walsh, Allegheny County librarian, left, and Miss Edith Brook, Garrett County librarian, are shown examining one of the hundreds of books carried on the Garrett County bookmobile. Miss Brook drove the Garrett County bookmobile here yesterday so the Allegheny County Commissioners and others

interested in the purchase of a bookmobile for this county could inspect it. The Garrett County bookmobile is on the go about two-and-one-half days every week, traveling as far as 45 miles away from Oakland. Most communities are visited every two weeks, some once weekly. The bookmobile can hold 1,500 books.

Four Judges Selected For Beef, Dairy Cattle At Fair

Four judges, including two specialists from the University of Maryland, have been approved for competition in dairy and beef cattle competition at next week's Cumberland Fair.

Joseph M. Steger, county farm agent, said all of the judging will be done Tuesday, beginning at 9 a. m.

Holstein judging will be done by J. R. Schabinger, dairy specialist at Maryland. This is scheduled for 9 a. m., with Guernsey cattle to be scrutinized at 1 p. m.

J. Wilfred Runkles, a breeder from Frederick, will start judging the Jersey variety at 9 a. m., and at the same time L. Kemp Ensor Jr., Cockeysville begins passing judgment on the Ayrshires.

Boyd Whittle, extension livestock specialist from Maryland, will judge Aberdeen-Angus beef breeds in the morning and devote his attention to Herefords and short-horns in the afternoon.

Mr. Steger said approximately 250 cattle have been entered and several other herds rejected due to lack of space at the grounds. Braden King, who won top honors last year with his Jersey herd, will be competing again next week. King, who hails from Boonsboro, is scheduled to bring 29 head here.

And the Arrowhead Farm of Walkersville will vie for top premiums for the second straight year in the beef cattle category, being represented by 14 head.

Other exhibitors and the number of cattle slated to be shown are:

DAIRY
Guernsey—Glen Savage Dairy, Inc., Mt. Savage, 15; Ralph McCauley, Hagerstown, 20; H. W. McElwee, Hagerstown, 15.

BULLETIN

Members of the third shift at the Kelly-Springfield Tire Company plant walked off the job at midnight as a result of a contract dispute between the company and Local 26, Rubber Workers.

The plant had not been scheduled to work during the weekend, and the shift normally would have worked until 7 a. m.

Harry C. Reed Retiring From Staff At Kelly

Superintendent Here 23 Years

Harry C. Reed, 766 Fayette Street, production superintendent at the Kelly-Springfield Tire Company plant since 1937, and one of the few remaining "old timers" of the firm, plans to retire next Wednesday and move to Florida. This evening at 7 o'clock he will be guest of honor at a party in the ballroom of the Fort Cumberland Hotel. Over 200 persons, including company officials and men with whom he worked, will attend.

F. Theodore Bell, personnel department, will be the master of ceremonies. George Newman, president of the company, will be among the speakers. A number of gifts from company employees and a wrist watch from the firm will be presented to Mr. Reed.

A native of Ohio, the retiring superintendent began working in the rubber industry in 1913 at the age of 18 after graduating from high school and taking special management courses.

He worked for several rubber firms, including B.F. Goodrich, and during his early career was in the inner tube phase of the industry.

On October 1, 1917 he started to work for a Kelly branch plant in Buffalo, N.Y. He later became superintendent of the plant, a position he held for about a year prior to being transferred to Cumberland in 1921.

From that year until 1937 he was in charge of the inner tube department of the local plant and in 1937 became production superintendent. During World War II he was in charge of the production of .50 caliber cartridges which were manufactured by the Kelly-Springfield Engineering Company.

Mr. Reed, who is a member of St. Paul's Lutheran Church and a former member of the Elks, has been active in the industrial phase of the former Community Chest program and of County United Fund.

During the past couple of weeks he and his wife have been wined and dined by their circle of friends in Cumberland.

Mr. Reed, who is a "do-it-yourself" enthusiast, looks forward to his retirement in Florida, where he will be able to get out in the open for a leisurely life.

Their new ranch - style white stucco home is nearing completion at Chatham Hills, Boca Raton, located about 17 miles north of Fort Lauderdale in southeastern Florida.

Mrs. Reed, delighted with her new home, said she and her husband expect to leave for Florida next month.

City Firefighters Check Three Calls

City firemen had three calls yesterday.

At 6:04 p. m. South End firemen were called to 307 Virginia Avenue. They said the operator of the Notion Shop has a cot in a room in the rear of the building and apparently had been smoking when he took a nap. Sparks ignited a pair of pants, causing quite a bit of smoke in the premises.

The firemen from that station had another call at 12:37 p. m. when they went to 52 Lamont Street. Some rags in an upstairs storage room had caught fire. Firemen said the cause of the fire was undetermined.

West Side firemen were called out at 10:19 a. m. to check on a hot water tank which became too hot. No damage was reported.

Three County Lawyers Form New Law Firm

Anderson, Mullen, Bowen Associates

Three Allegany County attorneys have formed a new law firm which will be known as Anderson, Mullen and Bowen.

The attorneys, Fred H. Anderson, this city; Jack I. Mullen, Westernport, and Miller Bowen, Frostburg, will move Monday, August 22 into their new offices on the second floor of the First National Bank and Trust Company building, Baltimore and George streets. They also will continue to maintain their office at 82 Main Street, Westernport.

At the present time, the attorneys have their offices at 5 Washington Street.

Mr. Anderson is a graduate of Allegheny High School, attended Fairmont (W.Va.) State College and received his law degree from the University of Maryland Law School in 1952. He was admitted to the Maryland bar in 1952 and practiced law in Baltimore from 1952 to 1955.

He went into private practice in Cumberland in 1956 and served as magistrate of Juvenile Court from 1957-59. Mr. Anderson and Mr. Mullen have been associated in practice since May 1959.

Mr. Anderson served in the armed forces from 1941-45 and is immediate past commander of Fort Cumberland Post 13, American Legion. He is present judge advocate of the Department of Maryland American Legion and is active in various charity health drives.

He is a member of Ohr Lodge 131, AF & AM, of Ali Ghan Shrine, and of St. Paul's Lutheran Church. He is married to the former Dorothy M. Elder and they have three children. The Andersons reside at 915 Camden Avenue.

Mr. Mullen is a graduate of Bruce High School and received his law degree from the University of Maryland Law School in 1953. He opened his practice in Westernport in March 1957.

He served as substitute Trial Magistrate from 1957-59 and has been admitted to practice before the U.S. Court of Military Appeals, Treasury, Maryland Court of Appeals and the U.S. Supreme Court.

Mr. Mullen served four years in the Navy as a legal officer aboard the USS Iowa. He is chairman of the Tri-Towns United Fund and is active in civic affairs. He still holds a reserve commission as lieutenant in the Navy as a law specialist and is a member of Cumberland Naval Reserve unit.

Mr. Mullen is married to the former Jean Orr of Lonaconing, and the couple and their two children reside at 80 Main Street, Westernport.

Mr. Bowen graduated from High School in Frostburg in 1941. After serving as a pilot during World War II, he graduated from the University of Maryland Law School in 1951.

After serving over four years as a special agent for the Federal Bureau of Investigation, Mr. Bowen was a tax attorney for the Treasury Department. In September 1959 he returned to Cumberland, where he opened his law office in the Liberty Trust Building. Since returning here, Mr. Bowen has specialized in tax matters and estate planning.

He has been admitted to practice before the Courts of Appeals in Georgia and Maryland, U.S. District Court, U.S. Supreme Court, Treasury Department and Interstate Commerce Commission. He is presently serving as local chairman of the National Foundation of the March of Dimes.

Mr. Bowen is married to the former Ruth Shewbridge of Lonaconing. The couple has two children and resides in Frostburg.

In VA Hospital

William Malachowski, 34 South Street, a city fireman, is a patient in Newton D. Baker VA Center, Martinsburg, W. Va., where he was admitted for a checkup.

GLENN U. HANNA

Hanna To Fill Visiting Teacher Post In County

Frostburg Man Succeeds Sheeley

Glenn U. Hanna, 32 Hill Street, Frostburg, a teacher at Cresaptown Junior High School for the past 11½ years, yesterday was appointed a visiting teacher in the pupil personnel department, according to Superintendent of Schools Ralph R. Webster.

Mr. Hanna fills the vacancy created by the resignation in June of Frederick H. Sheeley, who had been a visiting teacher for the past seven years. Mr. Sheeley was appointed supervisor of pupil personnel in Caroline County on the Eastern Shore, effective July 25.

Coincidentally, Mr. Sheeley also had begun his teaching career at Cresaptown, where he started teaching in the elementary school in 1946. He later became principal of McCoolie Elementary School.

Mr. Hanna was graduated from Beall High School in 1944 and from Pennsylvania State University in 1949, where he majored in health and physical education and minored in social studies and general science. He played soccer at Penn State. He obtained his master's degree from the University of Maryland in 1954.

Before completing his studies at Penn State, Mr. Hanna did his practice teaching at William Penn High School in York, Pa.

Ever since February 1949, the new visiting teacher has been on Cresaptown Junior High School faculty. He has been teaching ninth grade social studies, core and physical education. He also has coached track and basketball for the past eight years.

Mr. Hanna is a member of Farrady Post 24, American Legion; Mountain Lodge 99, A.F. & A.M. and Welsh Memorial Baptist Church. He is married to the former Miss Frances Middleton and they have two sons, Gary, seven, and Bruce, three.

Hout Will Repair Street Damaged By Broken Line

Water Department workers today will put the finishing touches on repairs to a 24-inch water main which burst Wednesday night at the intersection of Decatur and Davidson streets.

Water Commissioner G. Ray Light said crews worked until 9 p. m. last night, when the light began to fail.

He said the sleeve was on the pipe and ready to be leaded in. Final tasks will be completed this morning, he said, and then the water will be turned back into the line.

Mr. Light said the Hout Construction Company, which is working on nearby Frederick Street, will begin Monday to replace the base and pave the street where the break occurred, and replace broken sections of sidewalk.

Citizens Urge Court To Force Reapportioning

Say Small Counties Rule Legislature

ANNAPOLIS (AP)—A group of citizens started legal action today aimed at breaking up small-county domination of the Maryland Legislature and gaining more representation for populous urban areas.

The suit by the Maryland Committee for Fair Representation asked Anne Arundel Circuit Court to:

1. Declare the present makeup of seats in the Assembly and the Legislature's apparent unwillingness to change it violates the federal and state constitutions.

2. Permanently enjoin Gov. Tawes, the State Board of Canvassers and the Anne Arundel County Board of Election Supervisors from certifying any senators or delegates elected in 1962 unless the Legislature has provided for a reapportionment.

No Convention Called
Reviewing 10 years of refusal by the Legislature to call a Constitutional Convention as decreed by voters or to submit a reapportionment plan of its own to voters by constitutional amendment, the suit said:

"It is futile for petitioners to look to the General Assembly and the amendment process... for relief."

The suit marked the first court challenge in the makeup of the Assembly, which has been frozen under its present seating formula of 123 House seats and 29 Senate seats since 1950. The most seats any county or legislative district has is six in the House and one in the Senate.

Organized In May
The Committee for Fair Representation—made up primarily of citizens in Baltimore City and Baltimore, Montgomery, Prince Georges and Anne Arundel Counties—was organized last May.

Its president is Christian H. Kahl, county executive for Baltimore County. Royce Hanson of Bethesda, professor of government at American University, is executive vice president. Alfred I. Scanlan of Bethesda, a Washington attorney, is general counsel.

The committee's suit was filed against Gov. Tawes, the State Board of Canvassers consisting of the secretary of state, comptroller, attorney general, treasurer and clerk of the Court of Appeals, and the Board of Election Supervisors in Anne Arundel County.

They have until Sept. 21 to file an answer.

Big Population, Few Delegates
The suit said Baltimore City and the four large counties have 2,312,465 residents, or 76 per cent of the state's 1960 population of 3,072,999, but only 34 per cent of the representation in the Senate and 49 per cent in the House.

"All of the other political subdivisions of the state enjoy over-representation in the House of Delegates, ranging from 23 per cent in the case of Somerset County," the suit said.

It said the five "under-represented" urban areas contribute 84 per cent of the state's income tax, 73 per cent of sales and use taxes, 83 per cent of corporation franchise taxes and 70 per cent of business licenses.

The committee said the people of these areas are suffering "illegal discrimination in the exercise and effect of their voting rights and taxation without adequate representation."

Constitutional Question
It contended Article 3 of the Maryland Constitution setting up the limits of representation violates the 14th Amendment to the Federal Constitution which guarantees equal protection of the law to all citizens.

It said Section 1 of the 14th Amendment further prohibits a state or any agency or officer "from denying, diluting or restricting the equality of voting rights or privileges among classes of otherwise eligible voters similarly situated."

The suit contended further that failure of the Legislature to call a constitutional convention as approved by the voters violates the Maryland Constitution and Declaration of Rights.

Approval Feared
It said representatives of less populous counties in the Assembly "consistently have refused to pass the enabling legislation (for such a convention) and have publicly stated their apprehension that such a convention would propose, and a majority of the voters of the State of Maryland would then approve, an amendment or amendments eliminating or revising inequitable and unconstitutional representation in the General Assembly of Maryland."

Joining the committee as individual plaintiffs in the suit were W. F. Strong of Silver Spring; Newton I. Steers of Bethesda; John Doherty of Annapolis; Francis J. Fagan of Baltimore County; Andrew M. Bristow of Baltimore County; and Samuel Hopkins of Baltimore.

Co-solicitors with Scanlan are former Judge Michael Paul Smith and Johnson Bowie of Towson, Del. Francis X. Gallagher of Baltimore, David MacDonald of Silver Spring, and John B. Wright of Annapolis.

Injured Playing

Stephen Kesecker, six, of 110 Columbia Street, was admitted to Sacred Heart Hospital last night with a fractured right leg he sustained when he was injured while playing at home.

Baby Contest Winners

Jerry Washington, 2, center, proudly holds the first place trophy he won last night at a baby contest held on Pine Avenue playground. He was also presented the cake seen in the foreground. John Cooper III, at left, who is one year old, won the second place trophy, and third prize went to Randy Jones, right, who is also one year old. Others in the contest were Kenny Page, Sheryl Brewington, Chinka Martin and George Ashby. Votes cast in the contest raised \$234.85 which will be used for blacktopping the playground.
